Please note that The St Andrews Golf Club is, by tradition, a men's golf club – there are no lady members. Lady guests, signed in by a member, are more than welcome but not by a temporary member.

Upon application of temporary membership, a fee is applicable. **The current daily fee is £15 & the weekly fee is £60.**

Temporary Membership of The St Andrews Golf Club does not entitle any member to play on any of the St Andrews golf courses. St Andrews Links Trust operates these, and a separate season ticket or booking must be obtained from them to allow play on the courses.

All categories of temporary membership are equal and are treated the same.

Whilst a temporary member, the visitor is allowed to purchase from our club shop which is normally a privilege that only a member has the right to use.

Temporary members **ARE NOT ALLOWED TO SIGN ANYONE INTO THE CLUB, the temporary membership is only for that individual.**

ALL APPLICATIONS FOR TEMPORARY MEMBERSHIP MUST BE PAID BEFORE TRAVELLING OR ARRIVING AT THE CLUB
